

CREATIVE & **BEYOND**

**COMPANY** PROFILE

---

**SIMPLICITY** is

---

THE MOST ESSENTIAL ELEMENT OF

**CREATIVITY**

**ANY CREATION ON EARTH IS A SET  
OF SIMPLE ELEMENTS COMBINED  
TOGETHER TO FORM THE BIGGER  
PICTURE**

## ABOUT US

On earth where humans always seek shelters and homes, we firstly invented the concept of huts which is the first type of home ever created.

It is made of simple ingredients similar to mud and stones.

The concept itself is then turned into the modern urban homes we see in the time being. From the “Simple yet sophisticated” concept of huts, we inspired our company.

# OUR VALUES

## EXCELLENCE

---

We seek the better form in every aspect, we provide every solution and every modulation to attain excellence.

## TIME ORIENTED

---

We believe in the criticality of time and due dates. This is why we always deliver our service in time.

## HOME BASED RELATIONS

A long and tight business relationship  
is always rewarding.

We are a single HUT which  
gathers everyone underneath!

## UP-TO-DATE

Seeking the newest trends and technologies  
always set us in front of the competition.

We always explore and pursue these trends to  
afford the utter experience for our clients.
